Last Statement:

Yes, I would like to praise Allah and I am praying to Allah. Allah is most gracious. I will ask Allah for forgiveness because he created me and he will forgive me.

All of the brothers on the row stay strong. (Some words about Allah that I couldn't understand.)

I love my family, my mother. I will see her sooner or later. Life goes on.

Don't let these people break (couldn't understand) you. Keep true to nature. You do not have to act like them. Rise above it. (couldn't understand)

Praise Allah –

(some more Allah mumbling)
