Danny Lee Barber #673

Last Statement:

Hello, Ms. Ingram, it is good to see you. I said I could talk but I don't think I am gonna be able to. I heard one of your nieces had some angry words. I didn't have anything to do with the stay. I spent the last twenty years waiting to figure out what's going on. I pray that you get over it and that's the only thing I can think to say. I'm regretful for what I done, but I'm a different person from that time. If you could get to know me over the years, you could have seen it. I've got some people over here that believes that.

I want to talk to my friends over here for a second. Well, it's good to see you guys. Look after Mary Lynn for me. Like I said, I've called my mother already, so she knows. Goodbye.
