**Offender:**

William Prince Davis #614

**Last Statement:**

I would like to give thanks to God Almighty, by whose grace I am saved through His son, Jesus Christ, without whom I would be nothing today. Because of this mercy and grace, I have come a long way, and I would like to thank God and others who have been instrumental. I would like to say to the Lang family how truly sorry I am in my soul and in my heart of hearts for the pain and misery that I have caused from my actions. I am truly sorry. And to my family I would also like to extend to them the same apology for the pain and misery that I have put them through, and I love them dearly from the bottom of my heart, and one day I would like to see them on the other side. Some I will; some I won't. I would like to thank all of the men on Death Row who have showed me love throughout the years, but especially the last two or three weeks, and I hold nothing against no man. I am so thankful that I have lived as long as I have. I hope that I have helped someone. I hope that [by] donating my body to science that some parts of it can be used to help someone, and I just thank the Lord for all that he has done for me. That is all I have to say, Warden.

Oh, I would like to say in closing, "What about those cowboys?"
