Offender:

David Long #862

Last Statement:

Ah, just ah sorry ya'll. I think of tried everything I could to get in touch with ya'll to express how sorry I am. I, I never was right after that incident happened. I sent a letter to somebody, you know a letter outlining what I feel about everything. But anyway I just wanted, right after that apologize to you. I'm real sorry for it. I was raised by the California Youth Authority, I can't really pin point where it started, what happened but really believe that's just the bottom line, what happened to me was in California. I was in their reformatory schools and penitentiary, but ah they create monsters in there. That's it, I have nothing else to say. Thanks for coming Jack.
