Date of Execution:

June 15, 2000

Offender:

Paul Nuncio #999158

Last Statement:

Verbal:

I have a written statement for the press. It will be released as soon as they can. And I also responded to a comment to me from Sandy, daughter of Ms. Farris. I have felt deeply sorry for the deceased. But I'm sorry that I wasn't the one that did it or anything. She will tell you that when she gets a chance to. When the time comes. I just wish just to be patient when the time for each and everyone of ya'll individually have ya'll time. But I'm not putting pressure on either one of ya'll being having any guilt. I just want to say two thing, executing someone that is innocent, cause even though I am. The burden will be wiped away and you will be at ease to know that I know how it is and they will pay for it when their time comes. And all I have to say is that right now I'm sorry that it happened and I was part, not part in it but, part responsible for not properly getting the word out in time to get the right victim or the right convict or the right person that did it. I just wish to say a little prayer for the family for their appearance and forgiveness in this matter.

Our Father, who art in heaven, hallowed by thy name. Thy kingdom come, thy will be done, on earth as it is in Heaven. Give this day your daily bread and forgive us our trespasses as we forgive those who trespass against us. Lead us not into temptation, but deliver us from evil. Our Lord, Amen.

And ah, don't be surprised if your Mom be the helper of God that would grab my hand and say "You are now into eternal life with God." This is her being one of the chosen ones to give as proof of innocence. That's what I meant by telling you I don't mean to injure you anymore. When your time comes that she would let you know, if I was innocent or guilty. That about all I have to say.

Love you all.

Written:

I wish the public to see my point of inside view that the officers of Death Row of the State of Texas. All the years of 5 or 6 years of my first time being locked up for not doing a crime of this sort. Now, officers of Texas TDCJ are of Terrell Unit, Walls Unit and some of Ellis I are just doing their job for their family. Now there are also respectful inmates death row and population that I've meet, now I say to all of you just realizing what crime is about, don't do it. One way I've thought of was having your friends "inmate" to witness your execution talking about those of population and first timers. I just want to give those officers that respected me while in prison of TDCJ Death Row. May God bless you all of TDCJ and inmates especially the free-world population.

With Gods and my words of faith,

Paul Selso Nuncio
