Offender:

Mack Hill #961

Last Statement:

First, I would like to tell my family that I love them. I will be waiting on them. I am fine. I hope that everyone gets some closure from this. I am innocent. Lubbock County officials believe I am guilty. I am not. Travis Ware has the burden on him to prove that he did not commit felonies. He needs to be stopped or he is going to do it time and time again. The power is invested in you as a public official to do your job.

That's all Warden. I love y'all.
